They made a journey together to a house neither of them has visited in reality, In dreams, our spiritual guides take the forms we are ready to perceive. Event credit is available for a period of six months - according to availability. And finally, active dreaming is also about the idea that we want to go about this world and everyday life with a symbolic sense, a poetic sense of the dreamer, looking at signs as symbols around us as a language of the soul, noticing that what happens around us in the form of coincidence or synchronicity is significant. Session details A session lasts 30 or 60 minutes. I have been in private practice gain courage and stamina to get through the ups and downs of everyday life, aware that we are acting in a deeper drama. Be Still and Listen.
