## Focus Improvement on the Manufacturing Constraint | Lean Production

An in-depth overview of 20 product prioritization techniques and a A map, in the form of a Periodic Table to help you make sense of what each . These results may be plotted on a graph, providing a visual aid to better .. The main goal with this method is that we try to maximize value delivery over time.

### 20 Product Prioritization Techniques: A Map and Guided Tour

Now visual communication is a must-have skill for all managers, because more and more often, it's the only way to make sense of the work they do. Decision making increasingly relies on data, which comes at us with such overwhelming or the way customers move through a store—are hard to understand, much less fix.
