Whatever happened to Breitbart? What if different environments actually cause different kinds of achievement rather than different levels of achievement? Excellent article and equally thought-provoking comments.

But these policies would not do blacks much good even if whites were willing to. And I am not even talking about racist Whites. If the first-grade homework was this confusing, I was really worried about how he—or any kid—was supposed to figure out the tests. And soon. Licensed to practice law in Pennsylvania, Dr. The average black did about as well on the Stanford-Binet test in as the average white did in
