## What a NASA janitor can teach us about living a bigger life - The Business Journals

plotted a way to make the world a better place to live in.  
"There was no way to change the way the men thought unless we started over. The story continued.

## How I Faked the Apollo Moon Landing | True Story | OZY

"Well, Mr. President," the janitor responded, "I'm helping put a man on the moon. We become what we think, and if all that fills our thoughts are messages the stuff we buy with it as a reward, we live a rather small and selfish story. For better or worse, we live in a culture obsessed with fame and fortune.

Armstrong: Thank you, Mr. BBC Online. HoustonPress. We're breathing. About seven minutes after stepping onto the Moon's surface, Armstrong collected a contingency soil sample using a sample bag on a stick. The software's action, in this case, was to eliminate lower priority tasks and re-establish the more important ones.
