Successfully reported this slideshow. At the same time, I will acknowledge that my path has been filled with trials that are unique to African-Americans. Step by step, Robbins and McClendon show how to reprogram the mind in minutes to eliminate fears and phobias, fuel the body with renewed health and energy, dramatically improve relationships, and become a persuasive communicator. Condition:F. You'll receive email and Feed alerts when new items arrive. I believe that the creator gave us all what we need, and in spite of what others may think, or do, we can express that gift if we engage the principles outlined in both of these works.
