Figurative stone sculpture shows Greek influence in the sophisticated modeling of human forms—especially in the friezes from Porcuna—and of animals. The others, instead were still interacting with the Carthaginians while reaching out to the Romans. This 'made matters more tranquil' in Hispania. According to Livy he spent the rest of the summer receiving the submission of This process started with the Roman acquisition of the former Carthaginian territories in southern Spain under the Roman Empire and along the east coast as a result of defeating the Carthaginians BC during the Second Punic War – BC leading to them leaving the peninsula. Popular attention tends to focus on the lengthy resistance of the town, although the region itself was in internal turmoil for some 20 years beginning around and ending with the fall of Numancia in Both sides withdrew and the Celtiberians moved their camp the next night, giving the Romans the chance to bury their dead and collect the spoil.

It was a military and political centre and the capital of the largest province early as the reign of Augustus, the city of Augustodunum Autun in central Gaul, was given walls and magnificent gates in a distinctive North Italian style which would not be disgraced by any building in Rome. Until then, much of Hispania remained

autonomous.
