Despite its flaws, then, highly recommended. This volume will
appeal to a general audience as well as serious students of
tribal history interested in the experience of a North
American Indian tribal community over three and a half
centuries. John Wooden helped define college basketball in the
twentieth century and became an icon of American sports.

And virtually every page contains a quotable nugget that will
make its way into the permanent Vonnegut lexicon. Also
included are political cartoons, illustrated sheet music, and
book and newspaper illustrations of the period. Illustrated
with original manufacturers' advertisements and sales
literature—some of which is previously unpublished—as well as
color and black-and-white photos, this long-overdue book on an
icon of the early 20th-century kitchen will be an invaluable
resource to cabinetmakers, antiques enthusiasts, and

homeowners planning a period-inspired kitchen.
