Supporters of dynamism and diversity increasingly clash with proponents of stability and homogeneity, beneficiaries of technological change with those harmed by the resulting economic shifts. Plurality, not homogeneity, characterizes most peoples, most of the time.

The judiciary and the legal profession fulfil important roles in standardise. Such a problem could be overcome by constitutional amendment but that, in itself, may be a very difficult path. These claims contain a grain of truth. They included certain rights and freedoms, an independent judiciary and social, economic and cultural conditions conducive to human dignity. Freedom of expressions. Trade treaties are a key case in point. The next prime minister might be a centrist.
