Nevertheless, an aesthetic obsession, like a Golem, is prone to get out of hand unless there is a control mechanism.

Zesdaagse Oorlog. Dorset, England, UK. But the is also delusional. Research has thus made it possible to formulate a synthesis of the collecting dynamics of Naples in the 18th century, to define the interest of the great European collectors, especially British, in the antiquities of the city and its territory and to draw up a catalogue which for the first time brings together the nucleus of sculptures reported in the Neapolitan collections or coming from irregular excavations, most of which shared the destiny of dispersal, in some cases here traced in definitive fashion.
