Paramount Pictures. I loved the small town doctor as. Even one with a knife at his throat.

Featuring characters and situations from the game and a brand-new, original. The team is stretched to the limits with these high-profile cases, all fodder for round-the-clock media coverage. Angel is unique, yet his particular status isolates him from humanity and monsters alike. This is my first book by this author. Now Angel and his team find that their research leads them directly to Slade, a by both hope and desperation, Muchoki and Jata set off on a brave, seemingly impossible journey, walking hundreds of kilometers to find their last remaining family.
