The children are not running off to friends' houses, playing computer games in their rooms, being driven to one activity to. They spend the time reconnecting with each other, connecting with their two kids and discovering all Europe has to offer. At times, a heart wrenching story of stepping back from the rat race of suburban life and learning to become a family, this *Halfway to Each Other* a book that will give you hope all is not lost when you are caught up in the craziness of life.

The parents whine as much as the children do when things do go their way. Since it was small and not especially touristy they had to learn how to live like Italians. She reacts to a rumbling force within herself that tells her to try something new, take her family and just go : "Something was pressing me beyond logic. Welcome. They experienced a great deal of culture shock, from differences in shopping to riding buses. Tim was a successful radio executive, though, who took potential clients on trips, including a trip to Italy.
