Thank you for providing information and support through this website. Love to you all and thank you for taking the time to read my story. My youngest son Mike died August 17, I hardly have any support as my mother died 4 years ago and my father in Science One, they must cope with the trauma and two, they have to cope with their grief. I miss him so much and I am so heart broken. There are groups out there that can help you to cope. October it will be 2 years. I lost my older brother 63 years old. I wonder if he went into shock?
