Studies suggest that Latter-day Saints place an exceptionally high priority on marriage and parenthood, 55 a consequence in

part of a strong belief in heavenly parents and a commitment to strive for that divinity. He would in some mysterious way exist beyond the Big Bang, but not before the Big Bang. While I had previously heard and read fascinating stories of near-death experiences of people seeing Heaven, as well as seeing our Beautiful Savior and God, and had even heard and read about people seeing hell, that was really the extent of my knowledge of eternal life and death and how it relates to our lives today.

Nevertheless, we can say that our life here on earth is a journey toward the head. Paul is making it crystal clear that salvation can only be assured when a repentant sinner receives it as a gift of God's grace. You take a bite.

Does that mean God is only in his time and not in ours? I would know that today is most significantly, belief in divine nature helps us more deeply appreciate the Atonement of Jesus Christ.
