I'd recommend giving it a shot. Absolutely mesmerizing. Since Main Character is brilliant, but would refuse the help of those who love .

I will probably in time download these second book as it was easy listening. Also All the characters in the book are interesting, especially the soldier Jack Tarrant, who takes charge of Harry Clifton's life guiding him and playing his mentor. Be prepared for surprising developments that upend all your expectations and keep you guessing.

The novel quickly became a bestseller, reaching number one a day after its release. According to the theory of relativity it depends on the observer's frame of reference.
