They involve writing personal narratives and forming peer conference groups, ultimately fostering a sense of community among classmates. Students learn about weather and division by recording air temperatures, calculating averages, and building a glider to observe how far the wind will carry its weight. Getting students to put pen to paper is a good way to spark their imaginations, develop reading and writing skills, and teach about empathy.

Our lessons are designed for students in grades 1 and 2. Help students make real connections. Here are some options: . Writing is posted on a class blog, where responses are invited.

What a practical resource! We can forge new relationships and strengthen the ones we have. You Haiku?
