That volume has been lost. This reader-friendly edition is highly recommended and makes a welcome companion to the Smithsonian Institution's multilingual facsimile. Jefferson created his version of the New Testament by cutting and pasting from Greek, Latin, French, and English printed texts of the Gospels, which he placed in four parallel columns and accompanied with his marginal notes.

He declined re-election after his first term and was succeeded by General Nelson A. Rockefeller. Looking for More Great Reads? The Gospel accounts about the resurrection of Jesus are entirely absent. His "Bible" as such was an attempt to cull out those redactions and isolate them for its Deist background, it's not a bad attempt.
