Where normally the clan arms is inside the belt showing allegiance to the clan chief, in this case the island of Maui and pipes and a drum are inside the belt, indicating band members commitment to their location and instruments. The gradual intertwining of the voices starts at one point - unison - and reaches a peak of cascading dialogue and dancing phrases before fading to a point, merging into unison once . Thattouchesgreentreeleavesknotworkatright,joiningbrowntreetrunkar I can tell by looking at the songs that in time they will seem ridiculously simple, but I'm not that harpist today. This is often taken to symbolise a woman. Either way, the book is a

useful source of melodic, listenable learning solos.

The Roman historian Claudian, noted that these warriors were tattooed: .The materials needed are inexpensive and easily found, most of you probably have them in a drawer someplace at home.
