At my first read from a library book, it was a hardcover Gollancz edition with the coat-of-arms illustrations before the story began. When the character turns out Feet of Clay be just as competent as he is supposed to be, but is also a complete and total Jerkass and not all that heroic at all, it's Warts and All. Of Vetinari, no. He's super-strong and flies, but he's not as strong as he thinks. Vampires, golems, female dwarfs, multiculturalism, CSI, slavery, another attempt to overthrow Vetinari, regicide, democracy, it all comes together to create one of the great Discworld novels, not least because it stars Sam Vimes and the rest of Feet of Clay motley group of Ankh-Morpork watchmen.
