That person, although similarly slouched over by the weight of the second person's foot and collectively, the first person's foot is stepping on the back of another smaller person, who is also bent. Learn how to enable JavaScript on your browser. Add to watch list. Healing always comes in full circle. They overeat or starve themselves, use drugs, obsess and in other ways try to numb or control their experience. Allyship activates even when other influences suggest it might be momentarily safer not to engage.

I have so much gratitude for Tamka and the work that she does. And so much more
